Next Weekend

7<sup>th</sup>/8<sup>th</sup> October

Our missionaries throughout the developing world live and work with those who are despised and looked down on by their respective societies. And it is usually through those that are recipients of our mercy and love that in their turn, return this very same mercy and love in spades, making our world just that little bit more compassionate. Your generous response and support for the merciful presence and efforts of our missionaries through next week-end's **Catholic Mission Appeal** will go a long way to making a difference in a world seemingly indifferent to God's love. Catholic Mission is the official overseas missionary agency of our Holy Father, Pope Francis.
