REFLECTION

UNDERSTANDING THE SCRIPTURES. The disciples of Jesus had great respect for the Jewish Scriptures: the Law of Moses, the prophets and the psalms. They come to full belief in the resurrection of Jesus only after he had opened their minds to see that his shameful death and glorious resurrection were prefigured in the sacred texts. The ancient Hebrew Scriptures and the New Testament provide valuable witness for us also, strengthening our faith.

The Missionary Experiences Of The Benedictines Of New Norcia And Kalumburu

New Norcia was founded as a mission to the Indigenous people, with the intention of proclaiming the Good News of our Lord Jesus Christ, and providing assistance to the local people in a multitude of ways. This missionary endeavour was, by its nature, one of reciprocal cultural and spiritual exchange, presenting challenges and opportunities for profound human enrichment, both for the local people and the monks. This 20-22 April weekend will feature a sharing of some of the remarkable experiences in this missionary work, both at New Norcia and at Kalumburu by Abbot Bernard Rooney, osb and Fr. Anscar McPhee, osb.
