REFLECTION

THE LAWS OF GROWTH. We would love to be able to plant a seed today and have a magnificent tree tomorrow. But that is not possible. It will take many years for the tree to grow to its full height. Likewise, the Church is constantly growing towards fuller maturity. The Church is nourished in its growth by the Eucharist and the Word of God. The Church is like a growing tree, already bearing fruit and giving comfort, but always open to further growth.

The Poor Box

When was the last time, if at all, you thought of the poor and put something in the Poor Box? Here is what I have been doing for several years and I hope that some, if not all of you, might like to do the same.

I Never Ever Spend A 50 Cent Piece

I take them home and put them in my bedside drawer. Periodically, I take them to church and put them in the poor box. When I forget to do this the quantity increases. Last time I was very forgetful and was able to put 83 \$0.50 pieces in the poor box! It was a wonderful feeling. Give it a try.

It might be interesting to be advised of how many 50-cent pieces are counted each time the poor box is emptied to see if this idea has caught on or not. God Bless you all, Phil.
