REFLECTION

THE BREAD OF LIFE.

The manna the Israelites discovered in the wilderness satisfied their hunger. More importantly it was a sign that God was with them in their time of trial. Likewise, the multiplication of the loaves and fishes was not intended simply to satisfy the hunger of the crowds but to be a sign to them of the presence of God in Jesus. In the symbolic actions of the Eucharistic celebrations we also recognise the presence of Christ, the Bread of Life, among us.
