REFLECTION

CLINING TO HUMAN TRADITIONS.

We can sometimes do something good for an evil motive. For instance, we may help others, not to relieve their difficulties but to put them in our debt. Acts that flow from evil intentions are always evil even if they are masquerade as good. If the seed of God is planted deep within us the intentions that arise from our hearts will be good and loving. Our motives for worshipping God and helping others will be pure.

Nedlands Parish Youth Ministry

Once again, we have reached over 20 people, with 24 attending youth group on Friday night! We made a creative change to the way we ran youth group last week. Instead of a formal talk, we played some games relating to the theme of temptation. We had a few leaders give a quick debrief of the games and then allowed the young people to make their own links between the activity and theme. They appreciated this approach as they felt more involved in the evening's teaching aspect. This week, we are looking at Padre Pio and his life.

Our first Youth Mass went well which seemed to be confirmed by encouraging feedback from parishioners. The youth group meets every Friday 6pm to 8pm in the Parish Centre. The age group is Year 6 to Year 12. Their VISION is: to reach and equip young people to live for God. **Full on, Full time, All the Time.** Info - Noel 0433 772 357 or Elysha 0481 133 229.
